

Dog License Application

According to Camas City Code 6.08.050 it is unlawful for any person, firm, or corporation to own, keep, harbor or maintain any dog, male or female, over the age of six months, in the city without paying the license fee, obtaining the license from the city clerk, and keeping the license attached to the dog. The city clerk shall maintain a record of applicant/owner, and the sex and general description of each dog so licensed. All dogs over the age of six months shall have a current rabies vaccination administered by a licensed veterinarian. The owner is required to attach a dog collar showing that the dog has been properly vaccinated. A certificate of vaccination must be shown when licensing.
