

A top-down view of various baking ingredients on a dark, textured wooden surface. In the upper right, a wooden bowl is filled with white flour, with a wooden spoon resting inside. Below the flour, there are two cracked brown eggs, one with the shell partially broken. To the right of the eggs is a white bowl filled with white granulated sugar. In the center, there is a whole walnut and two star-shaped spices (likely star anise). Below the walnuts is a small white bowl containing a bright yellow liquid, likely egg yolks. To the right of that is another small white bowl containing a white liquid, likely milk or cream. At the bottom, a wooden rolling pin is visible, and a small metal cookie cutter is partially seen in the lower right corner. The overall scene is well-lit, highlighting the textures of the ingredients and the wood.
